Fields on this screen

Field	What it does / where its effect goes
Vendor	The supplier (ledger in Sundry Creditors). Credited with the bill total (debited on a return / debit note). PAN, address and credit days come from the vendor master.
From Date	First date of the report period.
To Date	Last date of the report period.
Product Company	Company / brand of the goods on this document. With "Product Company Compulsory" in System Control, only that company's products can be picked and the party posting is split by company (company-wise ledger / ageing).
