

Job Cards

Menu: Automobile · **Type:** master

Workshop job cards: complaints, labour, parts issued from stock, outside work, ready / delivered, invoice.

How to use

1. New job card: vehicle, odometer, complaints.
2. Issue parts (stock out), add labour and outside work.
3. Ready -> Delivered: the job invoice posts.

Effect

Where	What happens
Accounts	Job invoice: Dr customer / Cr labour and parts income / Cr VAT.
Stock	Parts go out through stock adjustments linked to the job.
VAT	None.
